

Summer 2022 Internships in state government

APPLICATIONS DUE JAN. 3, 2022
40 hour week | 10 weeks | \$12 hour

North Carolina state agencies are seeking 98 interns to work in a variety of positions in different departments across the state from the mountains to the coast.

Summer internships range from network security to sustainability, workforce development, GIS shoreline mapping, community outreach, tax policy and more.

Internships may be virtual, in-person or hybrid, but will follow current state and CDC health guidelines.
